

## Our Services

Over 45 years of experience

Atlas ATM is a division of Atlas Music Corporation, a Rhode Island based company incorporated under the Laws of the State of Rhode Island, which has been in business for over Forty Five (45) Years.

Atlas ATM places Automatic Teller Machines in the New England Area covering Maine, New Hampshire, Massachusetts, Rhode Island, New York, And Connecticut (pending state approval).

All installations are provided by Factory and State Certified installers.

- **Atlas ATM** has a *No-Cost* placement program to help you serve the Cash Needs of your customers.
- **Atlas ATM** starts revenue sharing from the first transaction. Most private ATM operators will not revenue share unless you pay all the expenses involved with operating an ATM.  
Most financial institutions will only revenue share after some specified breakeven point that they can only define.
- **Atlas ATM** will place an ATM in your location with No-Cost to you and will continue to operate the ATM as long as your location continues to handle 250 or more transactions per month.  
Most private ATM operators will only sell or lease you an ATM and will not place an ATM at your location under any agreement. Most financial institutions will only place an ATM in your location if the ATM is handling a high number of monthly transactions (usually 500 per month or more).
- **Atlas ATM** has a coupon-producing program to help your business grow. Most private and financial institutions don't have the ability to do so.
- **Atlas ATM Pays For:**
  1. The ATM
  2. All Costs of Telephone Installation
  3. All Monthly Telephone Expenses
  4. All Costs of ATM Equipment (ATM, Signs, Supplies etc.)
  5. All Insurance and License Costs pertaining to the ATM.
  6. All Service and related Costs

**Atlas ATM Sends a COMMISSION CHECK to you EVERY MONTH starting from the FIRST TRANSACTION !!!**

## **Business Benefits**

ATM's and your business

### **Gas / Convenience**

Customers no longer have to drive by your location to another store or bank to access their cash needs. Once a prospective customer drives by your store they won't turn back. Make your location a One-Stop account by placing an ATM in your establishment and Increase fuel sales, Increase in-store foot traffic, and Increase food and store product sales.

### **Fastfood**

Bring customers to you by offering easy and quick access to their cash. Customers no longer have to make a special stop before they reach you for their cash needs. Your account increases foot traffic by becoming true One-Stop Fast Food location by providing cash needs for your customers.

### **Entertainment Facilities**

Movie Theaters, Game Rooms, Family Entertainment Centers, Golf Centers, Etc. can increase your customer base by providing an ATM for your patrons. An ATM on your location will Increase Sales, Food Purchases and Game Usage by providing easy and quick access to cash.

### **Educational Facilities**

Placing an ATM in an education Facility will help all of the businesses residing in the facility. The ability to access cash quickly and easily will help to increase foot traffic and sales in Shops, Restaurants, Bookstores, Etc.. Businesses will see more use of cash rather than Credit Cards. Students will not need to travel off campus to fulfill their cash needs insuring better student safety.

### **Bus Terminals**

Placing an ATM can help all of the businesses residing in the terminal. The ability to access cash quickly and easily will help to increase foot traffic and sales in Shops, Restaurants, Bookstands, Taxi's Etc. Businesses will see more use of cash rather than Travelers Checks and Credit Cards.

### **Hotels / Lodging**

By placing an ATM machine in your Lodging facility you can meet the ready cash needs of your guests. On site facilities will increase their sales and foot Traffic, and guests will not find themselves traveling to areas unknown to them to fulfill their cash demands.

### **Grocery Stores**

Increase Foot Traffic and Sales by providing an on site ATM to meet your customers needs. With the ability to provide instant cash for your customers you can bring people to your store rather than watch them drive by your location to get cash and possibly not drive back.

## **Airport Terminals**

Placing an ATM in Airport Terminals will help all of the businesses residing in the terminal. The ability to access cash quickly and easily will help to increase foot traffic and sales in Shops, Restaurants, Bookstands, Taxi's Etc. Businesses will see more use of cash rather than Travelers Checks and Credit Cards. Passengers unfamiliar with the area will not need to travel about to fulfill their cash needs.

## **Truck Stops**

By placing an ATM in a Truck Stop gives on the road customers the ability to access cash quickly and easily in One-Stop and will help to increase foot traffic and sales in Shops, Restaurants, Bookstands Etc. Businesses will see more use of cash rather than Travelers Checks and Credit Cards. Drivers will not have to make their way through crowded streets to find an ATM to fill their cash needs.

## **Restaurants**

Bring customers to you by offering easy and quick access to their cash. Customers no longer have to make a special stop before they reach you for their cash needs. Your account increases foot traffic by becoming a One-Stop location by providing cash needs for your customers. Do away with credit card services and their high fees.

## **Retail Outlets**

Increase Foot Traffic and Sales by providing an on site ATM to meet your customers needs. With the ability to provide instant cash for your customers you can bring people to your store rather than watch them drive by your location to get cash and possibly not drive back. Increase cash sales and lower your credit card fees.
